

DE LONG

WINE MAP OF CALIFORNIA

update November 15, 2010

YOU'LL NEED:

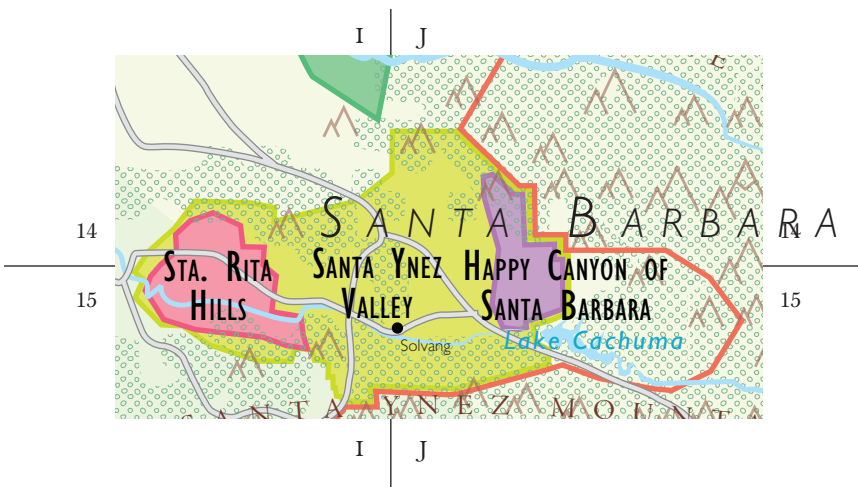

- an inkjet printer
- plain white paper
- scissors
- a gluestick

DIRECTIONS:

1. Make sure that your hands are clean and dry.
2. Print out this page on plain white paper using your inkjet printer's highest quality setting.
2. Cut out the name and area of the new AVA. You can cut out as little or as much of the map update - see the example below.
3. Apply glue with the gluestick to the back of the map piece you've just cut out.
4. Carefully place it on the map and gently press down.
5. Place a piece of paper over the map piece and rub gently.

for more info on wine map updates, see www.delongwine.com/updates

HAPPY CANYON OF SANTA BARBARA

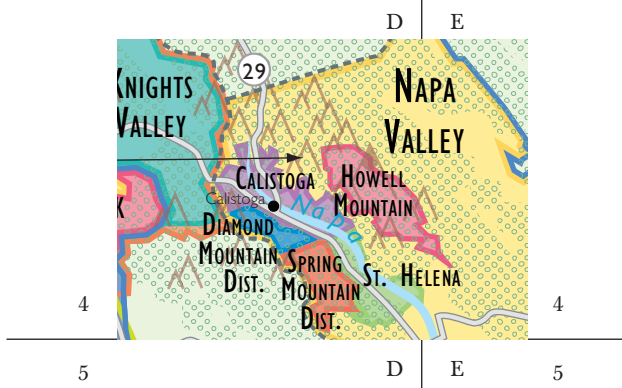

EXAMPLE:

It's only necessary to cut out about this much to add the HAPPY CANYON OF SANTA BARBARA AVA (just enough to include the area and name):

CALISTOGA

SIERRA PELONA VALLEY
